When did you start fetish modeling?

I started fetish modeling when I got into the porn industry. I never experienced it pre porn. Once I got into porn, I wanted to try new sexual experiences in a safe environment, and I met some great people who were seasoned in fetish and open to teaching me...two years later I'm still enjoying it!

So you got into fetish soon after starting porn?

Yeah, I wanted to see what it's all about and if it was cool with me or not.

When you first started fetish modeling were you surprised by anything?

Yes. The movie *Fifty Shades of Grey*, when that came out, I wanted to try a bunch of different things; but when you actually jump into the lifestyle, you see so many different forms and variations of fetish, and you realize that it is much deeper than being tied up with rope. It could be shackles. How far do you want to go with it? Do you want to be suspended? So my eyes have opened to so many different possibilities!

Are you currently or ever been in a fetish lifestyle relationship?

No, I'm not currently in a fetish relationship, but one of my best friends has always been into shabari, photography and being polyamorous. I just watch him do his thing. I totally enjoy it, but I don't have that kind of relationship with anyone.

What kind of fetishes do you like?

Well, my thing has always been *saliva*. I like making a mess, and I like being animalistic—drooling and spraying around. Gagging yourself and being gagged.

Does that include sweat, too?

Yeah, I don't mind sweatiness. I'm not the type to complain about that. Just come as you are and it's fine.

Tell me about some of your spanking experiences.

The memorable spanking experience was with Cherri

Deville. We did this kinky shoot where I was supposed to be a gift for her husband, and I was told to climb up on a table in my lingerie and harness. I had to watch them and then pleasure myself and them, and if they didn't like it, then she would go crazy on me...spanking, etc. I was so into it because she has a great sexual presence and so much confidence! It was *such* a turn-on! I kind of wanted to disobey her on purpose, so she would spank me! LOL

What did she spank you with?

She used her bare hand, dildos and straps. Loved it!

What is the wildest thing you've ever done on set or in front of a camera?

Well, I've had so *many* firsts since getting into the industry, so it's hard to pick just one. I've had my first lesbian experience on camera. I also had never been with two guys before.

Are you an exhibitionist?

I think so. I appreciate the attention, and I like showing off in front of everyone. It's a turn-on.

So do you like being naked in public?

I've definitely driven my car naked. This was pre porn too.

Have you ever been pissed on or pissed on someone?

I have been pissed on! But I just don't like getting it on my face. Anywhere else is fine! I remember once during sex I told this guy to piss *inside* me.

What was your first anal sex experience?

It was with my boyfriend when I was 18, and it was *my* idea, which was a shock for him!

Is there anything you'd like the TABOO readers to know about you?

I'm very excited for you all to see my layout! I had a great time shooting with TABOO!

When did you start fetish modeling?

Once I got into porn and people would ask me to do fetish-type stuff, I've mostly been asked to perform BDSM.

What kind of fetishes do you like and do you have an interest in fetish in your private life?

I really like being dominated, but in a very deep mental way. I really like the idea of someone owning me and serving someone specifically. I also like the juxtaposition of when I wasn't sexual and now I am, but I still have those things in me that are innocent. So that's why I like looking at my old clothes from when I was younger, because it reminds me of a time when I was so innocent. I also like to get messy with food, but no one has ever shot me doing it, though I've always been into it.

Why did you want to shoot for TABOO?

I think that I look great in bondage or anything like that! I love to show myself sexually in more creative ways. In one of my first jobs in porn I was asked to pee, and I was excited to do it! Then I found out that most people in the industry aren't into that, and I was confused as to why, because that's one of those things that I got into this industry to do!

Have you ever been spanked?

Yes I have, whenever I've done BDSM scenes, and I really like it!

What is the wildest thing you've ever done on set or in front of a camera?

Well, my boyfriend and I like to have sex in public places, like elevators, back alleys, bathrooms, anything. We have this obsession with sneaking away to have sex without getting caught.

Have you ever been pissed on or pissed on someone?

I don't think I've peed on anybody, but I've been peed on once or twice in my personal life. It's been hard to find people that are into that stuff, so I don't do it much.

What do you think about anal sex?

I really like anal! I've *always* done anal, ever since I started having sex! For me, it's all about if I'm in the mood or my butthole doesn't feel weird or full, then I'm fine. My butthole is pretty good at opening up and not being too tight, so that's also been something that's really come in handy for me working in porn. I've got good elasticity. :-)

Are you more interested in the art of fetish modeling or the sex of fetish porn?

I really like fetish modeling and the way that it really lets a lot of people who don't see that kind of stuff ever in their life to get this glimpse of it and build whatever story around it that they want to. But I also enjoy fetish porn because I can show people how to do some crazy and interesting acts safely and enjoyably. So I guess I like both for introducing people to fetishes and BDSM in general and showing them how much fun it can be.

Is there anything more you would like the TABOO readers to know about you?

I am *super* interested in a lot of different fetishes, and I hope to explore them all. You are *always* welcome to contact me on social media and request whatever your fetish interest is!

Are you in a fetish lifestyle partnership or would you want to?

No, I'm not. But I'm *totally* open to it! :-)

Why did you want to shoot for TABOO?

It's always been a dream of mine, because in my regular, day-to-day life, I'm *really* big into BDSM, bondage, everything. This magazine is really stylish and beautiful! The quality is super! I'm so happy to be here today!

Tell us about your bondage experience today.

I think it went fantastic. I especially liked the paddling and whipping.

Had you ever had your pussy whipped before?

No! I was a *little* nervous about that, but the way it was done and timed, with rests in between, it was really hot! It's more of a mind game, anticipating what would happen. It was funny, just when I was thinking, *Oh, this is kind of soft, on the thighs and close to the pussy, etc. I wish the whip would be a tiny bit stronger...* then *whack!* I got it right *on* the pussy! It was like, *Wow!* That *got my attention!* I learned a little bit more today about technique. Pleasure and pain properly done are the best aphrodisiacs!

What is your previous experience with bondage?

I have done some bondage that scared me, but most of the time I've really been into it.

What happened during that time when you were scared?

I was tied a little too tight, and my blood circulation wasn't good. My body went numb. If that goes on too long, it kills the mood. Instead of foreplay and the pleasure of the attention of rope tying, you just think, *When is this going to be over?* I finally had had enough and said, "Untie me. This is over." Fortunately, I have a strong personality. I

have no problem speaking up or saying "STOP" or using my safe word, whatever. I know I have to take care of myself when in the submissive role. And, of course, I need to take good care of the submissive while in the dominant role. I don't think everybody gets that. Anybody that does BDSM should be careful for the other person, because you *can* really injure them. Not to mention, lose the trust of your partner! Trust is everything in BDSM.

Wow! You are really smart about this. Brava!

Thank you! I don't think I *always* was. Sometimes you learn the hard way when the other person is not educated. Smart is sexy to me. :-)

How did you get interested in BDSM before porn?

It all started with daddy issues! LOL Just kidding. I've always been very dominant, but I also like the submissive role. I am a switch, depending on who I am playing with.

Do you have a particular kind of bondage you like the best? Leather? Steel? Rope?

I'm still trying to get over my past rope experience, but I love rope, leather, steel and chains. My first time doing bondage was when I was 16. He hog-tied me; it was funny and fun.

What about gags? Have you tried those?

I tried gags the other day on set. It felt good to be able to bite down on something while pain is being inflicted. I like the pain, but it feels good to be able to squeeze my teeth down on something. It's kind of like being dominated, but also dominating, because you're biting down on something that you can destroy with your teeth, but at the same time, the other person is dominating you as well.

So you're topping from the bottom?

Exactly! Well...sort of. There are a lot of ways to do that!

How do you feel about anal? Have you ever had a dick up your ass?

My *first* scene in porn was an anal scene. It wasn't a good experience, because I was too tense. The guy was fine though; it was just me. I've tried it multiple times, and I also had a bad experience with one of my exes, so it kind of scared me.

We did some pissing today and you mentioned that you like that kind of thing.

I do enjoy *being* pissed on as much as I like pissing *on* people. It's a weird fetish I have, like a dog marking its territory. I like to do that.

Tell us how you first started pissing on someone.

My ex and I were together and I had to pee really bad, and he said you might as well try peeing on me. So I did it! He was on the toilet and I sat on top of him and pissed all over his dick and balls. He loved it, and so did I!

Tell us about when you got peed on.

At first I didn't think I'd like it. The guy I was with suggested it during a BDSM session. He said it's one of his fetishes. So I went to sit in the tub. He started peeing on me kind of slowly. It was all warm, and it made me want to fuck him again! It was a *great* experience!

Have you dominated any girls before?

No, not really. In porn I have. I've role played dominant scenes. But in my personal life, I haven't been able to find the kind of girl that it would work with. I'm an aggressive dominant, so I need someone who's down for the same thing. I'm still searching for that perfect girl.

LIFE SIZE - LIFE LIKE - BEAUTIFULLY FUCKABLE

PLAY-GIRL

SO ROUND SO FIRM SO FLEXIBLE

The **ONLY** doll in the world with electronic-type action mouth, molded breasts, and **ALL** female parts.

FIRST TIME IN AMERICA

That's right!!! Marilyn is the **ONLY** human-like **ACTION DOLL** available in America. Her success in Europe has been so overwhelming, that we've brought Marilyn to America. Let her American, Greek and French life-like reproduction female qualities astound you as they have others.

BUILT IN FEATURES

All of Marilyn's female components are built right into her body. Her breasts are human-like in **EVERY** detail, both in texture and structure, right down to the finest point. This is an exclusive feature that is **ONLY** available on the Marilyn doll. Her open mouth is an achievement in design. The human-like action, tight-flexible cheeks inside her mouth, work on the principle of air suction. Just squeeze the back of her head gently, and watch her pulsating mouth come to life. Her mouth is precise enough to grasp a pencil. Marilyn comes with all the female parts you expect. Even **THESE** parts were designed to act as human-like as possible. Her well rounded hips and legs are soft and flexible. You can make Marilyn thin, you can make her shapely, you can make her pleasingly plump, in fact Tiger, you can make her **ANY** way you desire.

THE ONLY ACTION DOLL

Don't confuse Marilyn with toy like dolls being sold on the market. Marilyn is **NOT** a toy. She was designed for the **ACTION MINDED** man. Imagine coming home to your own 21st Century play-girl always ready for action.

DRESS HER UP

Dress her up in lingerie, bathing suit, dainty underclothes, tight fitting sheek dresses, pant outfits, mini skirts or leather. Her well rounded legs can wear any style boots or shoes, nylons or hose. Think of the fun you'll have dressing Marilyn the way **YOU** feel a woman should

dress. And best of all Marilyn knows how to show her appreciation. Order now, while she is still available at this extremely low price, or before she becomes a collectors item.

The only electronic doll with action mouth & pulsating pussy.

CLOE AND CHOKY TAME FRAME

PHOTOGRAPHY ANDRE BAYLOCK

Cloe's always a little sullen at the start of her stretching exercises, thumping her fists into Choky's legs in frustration as she kneels in by the training frame. Before she can complain, he stuffs his cock down her gullet and reminds her what's expected of a superior slave. Once her wrists are cuffed high, the loosening and limbering begin, starting with her well-greased fuck-hole. She wouldn't mind if he just stuck his hook in there, but that would be too easy. Instead, he lifts her long leg to the far corner, pulling her lewdly open before sinking in. He uses the leash to work her back and forth on his rigid tool.

Now begins the real work. Strung up and splayed, Cloe wills her anus to relax for the rude intrusion of the giant rubber shaft. It's so big and her asshole is so small, but Choky is patient and relentless. He wants a nice, accommodating rectum to ream. Cloe's only too glad to have his cock in her ass instead of the massive probe, and she can't help rocking and grinding on it as her suspended weight twists and shifts. She can't help tightening up when she comes, which always brings him to the edge, but he's a disciplined disciplinarian. Inverted like a trapeze artist, she has to suck him clean before she sucks him dry. And she doesn't get that reward until she's tied in a wide split with the spit-shined plug packed in her puss. Stuffed and straining, she's ready to serve.

IN THE NEXT ISSUE OF HUSTLER'S TABOO®

Sexy Liv Wild left alone for *one minute* cannot keep her hands out of her panties. She likes this particular restraint, as access is easy. But the Top has other ideas when he gets back. She blushes red as her ass gets warmed up *real fast*.

Innocent Natalie Knight makes her TABOO debut, and Lightworship sure puts her through her paces. Poor girl can barely sit down once he is through with her!

Plus, kinky event coverage, lots of gorgeous fetish girls bound, gagged and pissing! All you have come to expect *and more*. See you in the fall!
